Abstract (en)

[origin: EP1186723A2] Holder for glass panes (7) or filling plates whose outer edges lie on seals (2) connected by a post or locking profile comprises an isolator profile (4) and a holder (8) with a snap-in pin which supports one outer edge of the glass pane or filling plate on one side. An adapter element (6) fixed to the isolator profile is provided which is connected to the snap-in pin via a locking device. Preferred Features: The adapter element encompasses the isolator profile with two integral sides.
