Abstract (en)

A side guide structure for the drawers of a drawer unit includes a substantially flat frame (8a, 8b) and a first series of rectilinear, parallel guides (10) extending from a first face of the frame (8a, 8b) and defining a first series of support and sliding seats for drawers (5). The structure includes a second set of rectilinear parallel guides (12) that extend from the second face of the frame (8a, 8b) and define a second series of support and sliding seats for drawers (5). <IMAGE>
