Abstract (en)

1. Stand for displaying shoes, with shelves (2, 3), horizontally disposed and resting on supports (6), and arranged slantwise from the rear towards the front, whereby the inclined shelves (3) disposed in each instance over a horizontal shelf (2) are mounted tiltably upwards on horizontal journals disposed in the area of the rear of the stand, and the front edges of the slanting shelves (3), in their downwardly dropped position adjoin the front edge of the horizontal shelf (2) associated therewith in each instance, characterized in that the journals of the inclined shelves (3) and the supports determining the inclined position of the slanting shelves (3), provided in the area of the front side of the stand, are constructed as pins (7, 8), while the supports (6) for the horizontal shelves are designed as brackets, with the horizontal shelves (2) having on their side surfaces facing the side sections (11) grooves into which the brackets engage, in that in side sections (1) provided on both sides of the shelves (2 and 3) there are provided in each case two vertical rows of holes (4 and 5) into which the pins (7, 8) and the supports (6) may be inserted, and in that on both sides of the inclined shelves (3) bearing housings (24) are provided which have grooves (25), at a angle and open towards the side sections (1) of the stand, with a section (26 and 27) extending, one parallel with, and the other vertical to the shelf (3), the vertical section (26) being open downwards, whereas the section (27) extending parallel with the shelf (3) is closed at the rear and has resilient cams (28) for securing the pin (7) in the bearing housing (24).

Abstract (de)

Regal, z.B. für Schuhe od. dgl., mit horizontalen und geneigt angeordneten Fachböden (2 und 3), wobei die geneigten Fachböden (3) hochschwenkbar gelagert sind. Bei diesem Regal sind die Lagerzapfen (7, 22) und die Auflager (8, 14, 29) der geneigten Fachböden (3) sowie die Träger (6, 14) der horizontalen Fachböden (2) in den Seitenteilen (1) des Regals in Höhenrichtung verstellbar.
