Abstract (en)  
[origin: WO8204453A1] The system comprises plane elementary metal components, constructed and completely finished at the work shop and assembled on site by bolting from conventional concrete foundations (120, 150). There are provided, particularly, façade column modules (10), central or inner column modules (12), floor modules (20), roof frame modules (41, 401) and railing modules (50).

Abstract (fr)  
Le systeme comporte des composants metalliques elementaires plans, construits et completement paracheves en atelier et assemblees sur le site a urbaniser par boulonnage a partir de fondations traditionnelles en beton (120, 150). On distingue notamment des modules de colonnes de facade (10), des modules de colonnes centrales ou interieures (12), des modules de plancher (20), des modules de charpente de toiture (41, 401) et des modules de garde-corps (50).
