Abstract (en)
[origin: EP0118250A2] A double-sided adhesive sticker which is used to stick posters, pictures, etc, to a wall or album, has a carrier part (1) made of sheet or film of paper or synthetic resin and an adhesive coating (2) on each side of the carrier part (1). At least one edge margin region (4) on each side of the carrier part (1) is left free of adhesive to provide a non-adhesive portion grippable between the fingers so that the sticker can be pulled off from the release paper and stuck to the wall, etc. without touching the adhesive coating with the fingers and also can easily be peeled off from the wall, etc. after use.
