Abstract (en)
[origin: WO8503564A1] The plate-shaped heat exchanger comprises a plurality of exchange plates separated by spacing elements (2). Said elements further provide for the sealing of the exchanger. The exchange plates (1) are absolutely planar, and do not present any rib, groove or the like.

Abstract (fr)
L'échangeur de chaleur en forme de plaque comporte plusieurs plaques d'échange séparées par des éléments d'espacement (2). Ces éléments assurent en outre l'étanchéité de l'échangeur. Les plaques d'échange (1) sont absolument planes, c'est-à-dire qu'elles ne présentent aucunes nervures, rainures ou analogues.
