Abstract (en)  
[origin: FR2543669A1] Thermal complexes comprised of an elementary volume (8), packaged in two sheets (12, 13) which resist the temperature of use of said complexes. The package may comprise one or a plurality of sheets (16, 19) of a material which reflects infra-red radiation such as aluminium.

Abstract (fr)  
Complexes thermiques constitués par un volume élémentaire (8), emballés dans deux feuilles (12), (13) qui résistent à la température d'emploi desdits complexes. L'emballage peut comprendre une ou plusieurs feuilles (16), (19) d'un matériau réfléchissant le rayonnement infra-rouge, tel que l'aluminium.
