Abstract (en)

[origin: EP0227915A2] Fabric with simple weave characterized by a weft made up of a number of threads inserted simultaneously, even though of different thicknesses (1a; 1b; 1c;...), being noticeably greater in number and consistency than the warp (2; 2 min), the weft having a continuous, zig-zag selvage (1, 1 min) and the warp (2, 2 min) doubly weaving (a) the weft while the weft singly weaves (b) the warp, the consistency of the weft (1a; 1b; 1c;...) being such as to remain essentially rectilinear while the warp (2, 2 min) winds itself around it.
