Abstract (en)

Display system for attaching to the ends of shelves in a self- service shop. According to the invention, the system comprises a U-shaped support (18) attached to a bracket (26) which is integral with the shelf (11), while panels (20a, 20b, 20c) with clip-on means (25) are fitted on along the support (18). <IMAGE>

Abstract (fr)

Système de signalisation destiné à être fixé aux extrémités des rayons d'un magasin en libre-service. Selon l'invention, le système comporte un support (18) en forme de U, fixé à une potence (26) elle-même solidaire du rayon (11), tandis que des panneaux (20a, 20b, 20c) munis de moyens de clipsage (25) sont emboîtés le long du support (18).
