Abstract (en)

[origin: EP0334798A1] Flat face plate which can be inserted into and screwed firmly in a slit-in groove at the edge of a window wing or door leaf for the purpose of guiding and mounting an espagnolette. The flat face plate composed of a 0.6 to 1 mm thick sheet-metal strip consists of stainless steel, and the two side edges are angled from a middle base part (1) first upwards, each forming a web wall (2), and then outwards, each forming an overlapping edge (3, 3', 3''). <IMAGE>
