Abstract (en)

[origin: EP0347620A2] This pressure filter consists of two or more individual tubes (1), in each of which one filter element (2) is arranged and the lower, open ends of which lead into a common end piece (3), the end piece (3) being connected by a branch (5) to the inlet line, and the filter elements (2) being connected to the outlet line (6) for the fluid which is to be filtered. <IMAGE>
