Abstract (en)

Wallpaper table, foldable, for a painter and with variable dimensions, composed of a frame which folds at its centre, with an underframe, and of a top consisting of two half-tops of identical surface area, characterised in that each half-top comprises two mutually articulated boards capable, by being rotated and folded back, of being either superposed or juxtaposed, thus making it possible to obtain a top, both the length and width of which can be varied. <IMAGE>

Abstract (fr)

Table à tapisser, pliante, pour peintre à dimensions variables, composée d'un cadre pliant en son milieu, avec piètement et d'un plateau constitué de deux demi-plateaux de surface identique caractérisé en ce que chaque demi-plateau comporte deux panneaux articulés entre-eux et pouvant, par rotation et rabattement, être soit superposés, soit juxtaposés, permettant ainsi d'obtenir un plateau dont on peut faire varier à la fois la longueur et la largeur.
