Abstract (en)
[origin: WO8900991A1] Herbicidal sulfonamides having general formula (I), wherein J, W, R and A are more particularly described herein, such compounds and agricultural compositions containing them being useful as preemergent or postemergent herbicides or both, or as plant growth regulators, including the manner of their use.

Abstract (fr)
Sulfonamides herbicides de formule générale (I), dans laquelle J, W, R et A sont décrits plus particulièrement dans la description, des composés et des compositions pour l'agriculture contenant de tels sulfonamides étant utiles en tant qu'herbicides préémergents ou postémergents ou les deux, ou en tant que régulateurs de la croissance des plantes. Leur utilisation est également décrite.
