Abstract (en)

[origin: US5112517A] Compositions composed of fluorochlorohydrocarbons selected from the group consisting of the dichlorotrifluoroethanes in admixture with lower alkanols. The compositions are especially suitable for use as cleaning compositions, particularly for removing organic resin fluxes or flux residues from printed circuit boards.

Abstract (de)

Beschrieben werden neue Zusammensetzungen auf Basis von Fluorchlorkohlenwasserstoffen aus der Gruppe der Dichlortrifluorethane im Gemisch mit niedrigen Alkanolen, die sich zur Verwendung in Reinigungsverfahren eignen.
