Abstract (en)
[origin: WO9005046A1] A postal stationery article comprises an opaque sheet of paper (10) adapted to bear a recipient's details (name and address for example) and a message or greeting, pre-printed or otherwise, and a decorative article (12) detachably attached to the opaque sheet of paper and comprising suspension means (17) and/or stand means whereby the decorative article can be removed from the postal stationery article by the recipient and be used separately \$(per se). The suspension means may be in the form of a cord or plastics strip attached to an end of the decorative article, or an integral formation of the decorative article, or adhesion or suction means applied to one face of the decorative article. The stand means may comprise flap means integral with or secured to one end of the decorative article.
