Abstract (en)

Silo for various products in bulk, in particular plastic bottles, characterised by an envelope (2) constituting its walls which is formed from sheets of sheet metal (3) suspended or attached to horizontal (4) and vertical (5) support sections constituting an exterior framework (6). This invention is of particular interest to manufacturers of equipment for the bulk storage of products. <IMAGE>

Abstract (fr)

Silo pour produits divers en vrac, notamment bouteilles plastiques, caractérisé par une enveloppe (2) constituant ses parois formée de feuilles de tôles (3) suspendues ou accrochées à des profilés porteurs horizontaux (4) et verticaux (5) constituant une ossature extérieure (6). Cette invention intéresse principalement les constructeurs de matériel de stockage de produits en vrac. <IMAGE>
