Abstract (en)
[origin: US5261387A] A cook top includes a flat area for placing kitchenware. The flat area has markings, in the form of lines, dots or the like, identifying heatable cooking areas. The flat area is formed of a plate of glass or glass ceramic material in the vicinity of the markings and remaining glass or glass ceramic material. The markings are formed of the glass or glass ceramic material of the plate. The glass or glass ceramic material of the plate has a different material structure in the vicinity of the markings than the remaining glass or glass ceramic material.
