Abstract (en)
[origin: EP0465305A1] Name plate for equipment, characterised in that it carries, in a first area of one of its faces, an identification number and, in a second area, data relating to the identification organisation to whom one should turn in order to obtain information relating to the owner of the identification number, the other face of the said plate being adhesive and carrying an inscription (12) which is transferrable by adhesion onto one wall of the equipment to be identified when the said plate is put in place and which is able to appear in an unalterable fashion if the plate is torn off in order to indicate theft of the equipment. <IMAGE>
