

Title (en)

Circuit breaker device without natural zero crossing for the current.

Title (de)

Schaltvorrichtung ohne natürlichen Nulldurchgang des Stromes.

Title (fr)

Dispositif de coupure sans passage naturel par zéro du courant.

Abstract (en)

Circuit breaker device without natural zero crossing for the current, characterised in that it comprises the series association of a cutout (100) of high circuit-breaking capacity, and a cutout (200) of low circuit-breaking capacity but possessing means of lengthening the arc. <IMAGE>

Abstract (fr)

Dispositif de coupure sans passage naturel par zéro du courant, caractérisé en ce qu'il comprend l'association en série d'un disjoncteur (100) à bon pouvoir de coupure et d'un disjoncteur (200) à faible pouvoir de coupure mais possédant des moyens pour allonger l'arc. <IMAGE>
