Abstract (en)  
[origin: WO9221805A1] A method of producing a warp knitted tape having a loop pile, the method including the steps of knitting a ground fabric by knitting a plurality of straight wales (12) from wale forming yarn and during knitting of the wales laying-in across said plurality of wales on selected courses at least one weft yarn (14), and during knitting of the ground fabric, knitting-in along selected wales a textured yarn (16), the textured yarn being floated across adjacent wales (12) or courses at selected locations to define a float (17) on the surface of the ground fabric at said selected locations, the textured yarn being knitted-in under tension and permitted to relax in the region of the floats (17) after knitting in order to produce a loop pile comprising a mat of tangled loops.
