Abstract (en)
[origin: EP0562757A1] Yarn Spinning tubes are described, the spinning tubes (10) comprising a first outer member (12) of generally tubular form made of a plastics material, a second inner member (14) of generally tubular form made of a plastics material, the two members being substantially concentric and being radially separated by spacer means (16). The spinning tubes may be produced by plastics injection moulding. <IMAGE>
