Abstract (en)

[origin: WO9222017A1] A method of forming fixed images comprising forming an electrostatic latent image; developing the electrostatic latent image, whereby a toner is applied to the electrostatic latent image to form a visible image; and simultaneously transferring and fixing the formed visible image onto a preheated recording medium.

Abstract (fr)

Procédé de formation d'images fixes consistant à former une image électrostatique latente, à développer cette image électrostatique latente puis à appliquer un toner sur cette image afin d'obtenir une image visible et à transferer et fixer simultanément l'image visible ainsi réalisée sur un support préchauffé.
