Abstract (en)
[origin: WO9400648A1] Proposed is a set of building blocks consisting of at least three blocks designed to be laid in a line. The set includes a 1/1-size basic block (1), a 3/4-size end block (2) and a 1/4-size end block (3). Also included is a joint block (5) designed to enable angled walls to be built. All the blocks have recesses (14) or projections at one end, making it possible to lock the blocks together, optionally using an additional connecting block (45).
