Abstract (en)

[origin: CA2116121A1] 2116121 9400086 PCTABS00030 A lightweight portable temperature control system which includes form fitting disposable therapy pads (16) for selected body parts having serpentine fluid channels therethrough, a programmable microprocessor (14) for controlling the temperature type and length of cycle, quick disconnects (17, 18) for the therapy pads. A TE cooler (11) with a liquid heat exchanger (15) and a pump (10) for circulating the fluid through the system.
