Abstract (en)

[origin: EP0601921A1] Self-adhesive label intended to be placed on a support and with at least one detachable part and a fixed part intended to remain on the support when the detachable part is peeled off, as well as a tab extending from the label and not adhering to the support, characterised in that it comprises a peel-off strip (4) which extends between the fixed part (3; 9) and the detachable part or parts (1, 2) and which is designed so that, when it is actuated, it brings with it, at least partially, the detachable part or parts (1, 2), then possibly to be separated therefrom, and in that the peel-off strip (4) is designed to be held on the support when the label is fixed to the latter and exhibits the extending tab (5). <IMAGE>
