Abstract (en)

A table, particularly for sectional office furniture systems, comprises a structure including a worktop (3, 3a) and at least one element connecting with the worktop (3, 3a). Anchoring means are provided for the structure and the element associated with the worktop (3, 3a), comprising a rapid-connection system of the microconnector type (5, 10) which includes a first component (5) fixed to the structure and a second component (10) fixed to the element associated with the worktop (3, 3a). <IMAGE>
