Abstract (en)
[origin: US5560970A] A display marking tag for marking an item has an adhesive fastening strip for fastening the tag to the item to be marked, and a second strip, which can be adhered to the fastening strip, and which has a surface for being printed upon. On the side of the second strip disposed in contact with the fastening strip there can preferably be a semitransparent coating for decreasing the translucency of the second strip.
