Abstract (en)

[origin: WO9608180A1] Unit for storing and applying a cosmetic product. The unit (1) comprises a body (6) provided with an opening, containing a receptacle (10) for housing the product; an applicator (2) for contacting the product and taking up a certain quantity thereof and means (58, 62) for removing the surplus product from applicator. The applicator includes a wand (42, 44) carrying a device for applying (4) the product, the product retaining means being attached to the body and/or to the wand. The invention is applicable in cosmetics, and is particularly suitable for applying mascara to the lashes.
