Abstract (en)

[origin: WO9521438A1] The invention relates to an interchangeable cassette for price labelling in supermarkets. The purpose of the invention is to propose an interchangeable cassette making it substantially easier to change the fanfold. The interchangeable cassette (1) of the invention consists of a base plate (2), the width of which is divided into several compartments (5) by parallel strips (4) in which the compartments (5) are designed to hold fanfolds, and a front section (3) with windows (6) making the fanfolds in the interchangeable cassette (1) visible. The interchangeable cassette (1) is inserted as a unit into a solidly fitted slide compartment of a price label.
