Abstract (en)

A method for mounting a simplified press-stud of the type comprising a male portion (12), a male backing portion (13) and a washer (14) joinable together by riveting or clinching about fabric or the like, in which in a step preceding their positioning on the fabric, the male backing portion (13) and the washer (14) are joined together by clinching portions thereof. A simplified press-stud comprises a male portion (12), a male backing portion (13) and a washer (14) joinable together by riveting or clinching about fabric or the like, the male backing portion (13) and the washer (14) being joined together by clinching portions thereof. <IMAGE>
