Abstract (en)  
[origin: WO9624280A1] An improved portable barbecue capable of unfolding the side wall members thereof, thereby advantageously cooking a variety of food, which includes a main body; a pair of side wall members disposed at the upper portion of the main body for defining a cooking chamber therebetween; heating members mounted on each side of the side wall members; a gas supply unit for supplying gas to the heating member; a rotary grill rotatably positioned within the interior of the cooking chamber; and a driving unit for driving the rotary grill.
