Abstract (en)

A multi-pack (10) of units (11) held together by means of at least one first adhesive sticker (12) comprising weakening lines (17) dividing the sticker into sections (13,14,15,16). Each section is adhered to one unit respectively, and each section comprises at least one rim area (19) facing the unit which is non-sticky and at least partly separated from rim areas of neighbouring sections. The non-sticky (19) areas advantageously have the form of tongues. <IMAGE>
