Abstract (en)
The present invention relates to a tablet dispenser (10), specifically to a tablet dispenser (10), for toilet bowl or for an automatic dish washing machine. The tablet dispenser (10) according to the present invention comprises means (11) for holding said tablet dispenser (10) such that a tablet (5) is gradually dissolved in a liquid medium when said tablet dispenser (10) is in use. Said means (11) for holding said tablet dispenser (10) comprises means for covering a tablet and which protects the tablet from the exterior when said tablet dispenser (10) is not in use without any need of an additional secondary package. <IMAGE>
