Abstract (en)

[origin: EP0786355A2] The set comprises a top sheet (1) which is printed on and a copy or control sheet (2) underneath. Each sheet includes a tear-off line (41, 42), one above the other, leaving an edge strip (5). The sheets are attached to each other by a repositionable adhesive bond (3). The bond pref. contg. an inhibitor with resin or wax to prevent ink reaction. The set is pref. a printed form set, partic. endless form set for computer printing. The tear-off line is pref. perforated.
