Abstract (en)
A vehicle toy having a plurality of vehicles, which travels and plays a musical instrument such as a percussion instrument in synchronization with the traveling thereof, by pulling by the hand. Each vehicle has a doll with a striking member which is swingable; a body provided with a connecting member for connecting the vehicle with another vehicle, at least at a front portion or a rear portion thereof; a wheel provided with a cam which rotates according to a rotation of the wheel; a lever for swinging the striking member by a rotational movement of the cam; and a member struck by the striking member to generate a sound, which is attached to the body. <IMAGE>
