Abstract (en)
[origin: EP0821095A2] A washing process for a laundry washing machine comprises a step for loading water and detergent into a laundry washing tank (1) of the laundry washing machine. Said water and detergent loading step is preceded by a step for pre-filling the tank with water only; during said water and detergent loading step a basket (2) of the washing machine is maintained in rotation inside said tank (1). <IMAGE>
