Abstract (en)

The wallpapering aid (1) is for use in conjunction with a roll of wallpaper and is mountable on a pasting table. A roll holder (6,7) supports the roll of wallpaper above the level of the paper and a cutting arrangement enables the wallpaper to be cut to a desired size. The cutting arrangement has an elongate guide (11) arranged to lie adjacent the working surface of the pasting table, and a cutter (15) guided to move along the guide, the cutter has a captive portion movable along and retained by the guide and a blade projecting upwardly from the captive portion for cutting to length wallpaper overlaying the guide. <IMAGE>
