Abstract (en)

[origin: EP0857803A2] An elastic ribbon is made on a crochet or Raschel knitting machine and consists of warp yarns running along wales (1) which have at least one elastomeric yarn tied in. Weft yarns (2) run across them and patterning yarns can also be included. Each wale has at least two elastomeric yarns (3,4) which cross over periodically within the wale at the warp yarn.
