Abstract (en)  
[origin: EP0870608A2] The sheet guide (2) incorporates a printing cylinder (5) and transfer drums (6) which are twice the size of a block cylinder (8) incorporated in each printing cylinder. An inking system (11) consisting of an anilox roller (9) in front of the block cylinder has a doctor blade (10). The inking system is contained in an anilox tower containing a block cylinder. The sheet guide, sheet feeder (1) and sheet delivery (3) are modified to take cardboard or thick material.
