Abstract (en)
[origin: WO9818998A1] A silicone water-repellant containing the insecticide permethrin to be used on exterior fabrics made of synthetic, natural, or blends of these fibers. This product may also be used in conjunction with a mildewcide containing 2-n-octyl-4-isothiazolin-3-one and ultra fine zinc oxide. This treatment will retain its properties for at least 60 % of the life of a typical light-weight hiking tent.
