Abstract (en)
[origin: EP0890316A2] A hollow chocolate product with a filling, comprises a hollow section (1) of at least 150 cm³ and a loose, dry mixture (4) filling. The filling consists of dried fruit and cereal. The product quantity makes it suitable for breakfast or as a between-meals snack. The product is preferably produced by cutting an opening in the hollow section, filling it, and replacing the cut out section (3).
