Abstract (en)
[origin: WO9846436A1] A lip cosmetic that employs the use of contrasting colors to give the illusion of a fuller looking lip. The lip cosmetic comprises a lipstick bullet (1) having a first section (2) and a second section (4) in intimate contact with each other along substantially the entire length of the bullet, the first section being shaped to have extensions (6) which extend laterally along either side of the second section. The second section is of a contrasting appearance, e.g. different shades, colors, or finishes.
