Abstract (en)  
[origin: WO9701266A2] A wallet size card book which has been adapted to hold a card having the dimensions of a conventional credit card, and is particularly designed to be carried in the credit card compartment of a wallet or similar size compartment holder. The use of a resin emulsion adhesive, a vinyl acetate ethylene copolymer emulsion, in the card book makes it possible to create a properly formed pocket closed on three sides for holding and protecting the card.
