Abstract (en)  
A lighter (1) for cigarette smokers, characterized in that there is provided a means for removably fastening the lighter (1) to a packet of cigarettes (3). Said removable fastening means includes a clip (2) which can be applied to one of the slots of packet (3) to which the lighter (1) has to be secured. As an alternative said fastening means includes a clip (2a) provided with a safety (12) which can engage the free end of said clip (2a), the latter being able to be applied to one of the slots of packet (3). In a further embodiment said removable fastening means includes suitable adhesive means formed of at least one adhesive strip (2b) integral with lighter (1) and capable of sticking to packet (3). One or more intermediate members or plates (8), each equipped with an adhesive strip (2c) may also be provided. <IMAGE>
