Abstract (en)
An insert (7) for a modular cash drawer which includes a lid (10) which is hinged to the base 8 of the insert. The base (8) of the insert includes compartments (9) for receiving coins. Note storage means in the form of pouches or pockets (11) formed by note partition members (33, 34, 35) are mounted above the base of the insert. Vertical dividers (40) divide the pouches formed by the partition members into two or more compartments.
