Abstract (en)

The speaker (10) has a semi-spherical vibration section (12) and a ringed plate-like base section (14). The vibration section and the base section are formed as a single, unitary piezoelectric body. Driving electrodes (18, 20) are located on the single unitary body comprising the vibration section and the base section. The driving electrodes are connected with lead electrodes (22, 24) and the lead electrodes are connected with connecting terminals (26, 28). <IMAGE>
