Abstract (en)

[origin: EP0930031A1] The support has a frame that is fixed on a plate (2). The frame has a horizontal bar (3.1) and two vertical bars (3.2,3.3) and two rigid plates (4,5) are fixed to it. A slot (6) between the plates holds the spine of the book or magazine. The pages are held open by a thin bar that is held against the plates by magnets.
