Abstract (en)

[origin: EP0933230A1] A wallet (1), made especially from paper, has front and back panels (4,5) and is closed along three edges (6,7,8). The upper edges (16,17) forming the wallet's opening are angled to form two tips (20,20') which are offset relative to one another along the top of the wallet. Each upper edge has a rising section (18,18') at an angle of 3 - 7 degrees, and a falling section (19,19') at 15 - 30 degrees.
