Abstract (en)  
[origin: EP0949191A2] The lifting frame includes means for providing a visual indication of the lifting height of the fork (7), formed by one or more markings (9,10) on the stand and lifting masts. The truck has the fork mounted on a telescopic lifting frame, itself secured to a stand mast mounted in the vehicle frame. The lifting frame also contains a lifting mast which can be moved vertically in relation to the stand mast.
