Abstract (en)
[origin: EP0949600A2] Price indicator consists of a front panel (1) with a space for a description of the product and a window (11) divided into sections for displaying the numbers making up the price. The numbers are screen-printed on a series of discs (3) located behind the front panel and inserted through elongated slots (21) in a backing panel (2), with partitions between the slots for the disc pivots (5).
